Chunky proportions and subtle details give the Heath collection a casual, understated modern

Product Description

Chunky proportions and subtle details give the Heath collection a casual, understated modern appeal. Simulated tongue and groove panels, architectural bronze pulls and heavy butt-jointed frames are stained in a cool Basalt Gray for a depth and texture that keeps the active grain center stage. • Solid Acacia and Acacia veneer construction • Rustic wire brushing • Beveled glass mirror equipped with keyhole brackets for wall mounting • Basalt Grey finish
