Product Description

McKinney's instinctive good looks come from naturally rough-hewn surfaces that are specially treated to accentuate the wood grain, then softened with unique bullnose edging. Open storage adds delightful versatility. Available in an Espresso Pine finish.

- Solid wood construction with tongue and groove planking on headboard and side panels.
- Bullnose edging.
- Floating plinth base.
- Platform bed mattress support designed for use without a box spring.
- Sand-cast iron bar pulls.

Specifications - Units (Weight: lbs Dimensions: Inch)

Recommended Care

Apply a mild soap or a furniture cleaning product on a soft cloth and wipe the furniture with the grain. A furniture polish may be applied if additional shine is desired.
