The rough and tumble Townsend collection is crafted from solid hardwood, featuring naturally

Product Description

The rough and tumble Townsend collection is crafted from solid hardwood, featuring naturally roughhewn planks with heavy saw marks, pitting and wane. A 9-step finish uses glaze to highlight wood grain and a light wash to simulate the patina of age. Shallow top drawers are perfect for storing delicate items with the map drawer effect repeated with faux parting rails on large lower drawers. - Full-extension ball bearing drawer glides.- Java finish.
