Product Description

Rustic and contemporary. The Alexandra platform bed's appeal comes from the roughhewn Acacia used in its creation. Hand-selected planks of solid wood are carefully sanded, stained and whitewashed for a driftwood appeal that accentuates the active grain and draws out natural knots and markings from the milling process. They are then inlaid over plywood to create a handsome herringbone pattern for the crowning contemporary touch.

- All solid wood exterior layup over plywood.
- Platform bed slat system designed for use without a box spring.
- Available in a Rustic Latte finish.

Recommended Care

Dust frequently with a clean, damp, lint-free cloth. Frequent dusting will remove abrasive buildup which can damage a finish over time. Occasionally use a light application of a high quality furniture polish to enhance the beauty of the finish. Avoid using oily polishes or waxes.
