

CAVEN BAR CABINET - LIGHT OAK

109104

This mid-century inspired wine cabinet will bring a bright and airy mood to foyer, lounge or dining spaces. Features a highly coveted light wash oak wood frame with visible graining for a warm design. A large cabinet, drawers and stemware rack provide ample storage. Black metallic handles complete the look. Also available in a walnut wood finish. As wood is an organic, porous material, these pieces will contain natural variation of texture and may also exhibit fine indentations and cracks. Wood pieces will also display a disparity of colour and grain, and visible knots and burls that add to the character of each piece.
